

MEMORANDUM

TO: Nancy Neilson, OMP *M. A.*
FROM: Mr. Pouncey, OMD, London
DATE: 28 November, 1986

Dear Nancy

Thank you for your note and photograph of 8 November. After some thought I think that the painting could be by an early Parmigianino, with the hands possibly by another artist. Since you mention the picture in the Castello - I always thought this to be Parmigianino rather than Corregio myself.

With best wishes from myself and Mrs. Pouncey too.
